INTERMISSION

For 10 amazing years, our dance studio has been more than just a place to dance; it has been a family, a home, and a place where dreams began. From tiny dancers taking their very first steps to seniors taking their final bow, every moment has helped shape the heart of our studio. Over the years, we have shared countless rehearsals, performances, laughs, memories, and milestones that we will never forget. Watching our dancers grow not only in technique, but also in confidence, kindness, and passion has been the greatest gift of all

As we celebrate this special 10th anniversary season, we want to thank every student, parent, teacher, volunteer, and supporter who has been part of this journey. Your love and dedication are what made this dream possible. This showcase is not only a celebration of dance, but a celebration of the family we have built together over the past decade. No matter where life takes our dancers next, this studio and the memories created here will always be a part of them. Here's to 10 beautiful years of friendship, passion, growth, and dancing through every moment together.

Senior Farewell Message

I'm excited to begin my next chapter at Germanna Community College and later transfer to Virginia Tech while carrying these lessons with me into the future.

I am so grateful for all the years I've spent dancing and for everything it has taught me both on and off the stage. Dance has shaped me into the person I am today and given me memories and friendships I'll cherish

forever.
